HOME SWEET HOME! This single level Pao built home, on a quiet dead-end street in Enchanted Lakes, has been tastefully upgraded in all the right places! Upgrades since 2013 include: new designer kitchen with granite countertops & stainless appliances, 2 beautiful bathrooms, expanded master suite with bedroom-size master closet, newer engineered wood flooring, BRAND NEW exterior paint, upgraded landscaping, automatic sprinklers, new pergola and much more!! Leased PV system caps electric cost @ \$220 per month. The larger lot affords larger than normal front & rear yards and the mostly grassy backyard with apple bananas, mountain apples, & a huge rosemary bush!

Under "More", visit the "Documents" section for the seller's list of upgrades, cost of each project, and a copy of the solar lease!
